

Appln. No. 10/076,472
Amendment dated March 8, 2004
Reply to Office Action mailed August 13, 2003

REMARKS

Consideration is respectfully requested.

Claims 1, 5 through 19, 21 and 24 remain in this application. Claims 25 and 26 have been added.

The Examiner's consideration of the additions to the Amendment filed on February 25, 2004 is respectfully requested.

New Claims:

New claims 25 and 26 have been added to vary the scope of the claims and clarify the present invention. All limitations are supported by the original disclosure including the specification, drawings and original claims. Claim 25 incorporates the limitations of claims 16, 17 and allowable claim 18. Claim 18 was deemed allowable in the Office Action dated November 25, 2003. Claim 26 incorporates the limitations of claim 19 and is dependent on new claim 25. Therefore, no new matter has been added. The new claims are believed to be allowable.

CONCLUSION

In light of the foregoing additions and remarks, early reconsideration and allowance of this application are most courteously solicited.

Respectfully submitted,

LEONARD & PROEHL, PROF., LLC
